

NORTHEAST CONCRETE PRODUCTS

Step by Step.

We are excited to add a new item to our product line at Northeast Concrete Products. We are now manufacturing precast concrete steps. Our concrete steps are reinforced with steel. They are available in 3 sizes: 24' X 7', 27' X 4' and 30' X 5". They are made to order and available in several different colors and textures. The steps can be delivered to your project location on our boom truck.

BENEFITS OF PRECAST CONCRETE STEPS:

QUICK INSTALLATION

The steps can be used the same day they are installed with little disruption to daily life.

COST EFFECTIVE

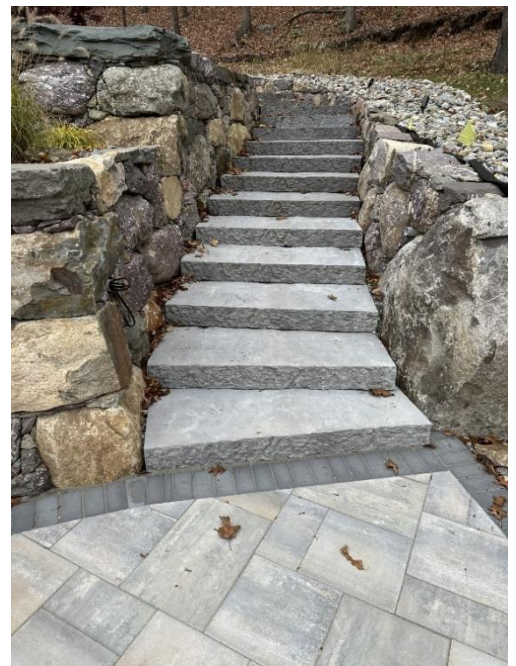

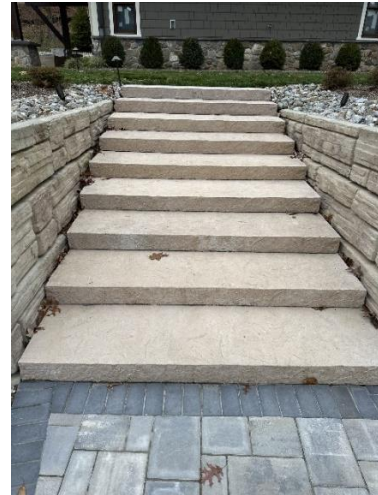

Huge savings over pour in place concrete steps. Therefore, installation time and labor costs are cut in half.

MAINTENANCE FREE/HIGH DURABILITY

They will not rust or rot and are fire resistant.

AESTHETICS

The steps are visually appealing and enhance their surroundings. They can be incorporated into your existing Recon Retaining Wall, Tiered Planting Beds & Landscaping.
